UrbanNest Realty — Service Offerings

Our Services

UrbanNest Realty, based in Lahore, Pakistan, assists clients throughout the process of buying and selling residential property. Our core services include:

- Property listing and marketing for sellers
- Property search and shortlisting for buyers
- Arranging and accompanying property viewings
- Guidance on pricing based on property size, location, and specifications
- Coordination of documentation for property transactions
- Ongoing client advisory throughout the buying or selling process

How Our Fees Work

UrbanNest Realty agrees on applicable service fees with each client on a per-transaction basis, taking into account the specific property, its listed price, and the scope of services required. Clients are encouraged to discuss fee details directly with our team before engaging our services, so that all costs are clearly understood in advance.

Our Process

- Initial consultation to understand client requirements
- Property matching or listing preparation
- Property viewings and client feedback
- Negotiation support between buyer and seller
- Finalization of transaction paperwork

Why Choose Us
